

CERTIFICATE

for Products

THIS IS TO CERTIFY that the following Items have been found to comply with the specifications established in the American Society for Testing and Materials standard ASTM D6400 in accordance with the terms and conditions of the "International Biodegradable Products Institute, Inc. Licensing & Certification Program for Compostable Products":

- Uncolored Bags with Printing, max thickness 62 microns [20240515-03]

as further described in the application and related information submitted to the Biodegradable Products Institute by Plasto Manufacturing Company, (the "Licensee") a corporation of India.

Specific items associated with these certifications can be found on the BPI Product Catalog: <https://products.bpiworld.org/companies/plasto-manufacturing-company>

This Certificate authorizes the Licensee to use the Certification Program Logo depicted below in relation to such Products, subject to all conditions and terms of the Program Rules and the License Agreement between the Biodegradable Products Institute and the Licensee.

By: *Rhodes Yepsen*
BPI Executive Director

Valid until: December 31, 2026

Certificate #: 10529131-1

Items on this Certificate:

The following item numbers (SKUs) are certified under this document. Only these items are published on the BPI's web-based items catalogs.

The licensee shall inform BPI immediately for any new items or discontinued items and if the licensee manufactures these products for another company / brand (sublicense), with the intention to claim BPI certification. These items were certified under item review 20240515-03 and must be recertified by the BPI on or before December 31, 2026
